Re: Resignation of District 12 Utah State Senator, Karen Mayne

Dear President Adams:

After much prayer, personal consideration, and deliberation with my family, I have made the difficult decision to resign my position as Senator for Utah Senate District 12. Since the election in November of 2022, my health has taken an unexpected turn, and the constituents of District 12 deserve full time representation at the beginning of the legislative session on January 17th, 2023. As such, effective January 16th, 2023, I will resign my position.

Since the formal beginning of my legislative service in January of 2008, I have diligently worked for the people I have been honored to represent; I have tremendously appreciated the support provided by constituents and colleagues from both Democratic and Republican political parties during my tenure. I am proud and privileged to have been able to create meaningful change in many areas of public policy including: worker safety, family support, Utah Women In Trades, and economic opportunity for all people. I have additional gratitude for the opportunities to mentor and to collaborate with the many new faces within the public service sphere; these thoughtful and energetic people have taught me as much as I hope that I have taught them; and I look forward to their positive community-minded efforts, for all of us. It has truly been an honor to serve.

Yours sincerely,

Karen Mayne
